CALCULATE YOUR SITE FEE

$$(\text{LENGTH}) \times (\text{WIDTH}) \times (\text{COST PER SQM}) = \text{SITE COST}$$

Site prices depend on show location and site size. Each location has been priced to match the predicted outcomes of the show to try to optimise the exhibitor experience.

Explanations for price structure reasoning can be found on the specific Show Details pages.

Site sizes are dependent on individual show floor plans. Fees cover all days of the Expo.
